## Extra Virgin

Cold pressed GOYA® Extra Virgin Olive Oil is the result of a careful selection of the best oils of Andalusia (Spain), the biggest global olive oil production center.

With very pronounced aromas of recently-cut herbs, tomato, green fruits such as apples, ripe fruits such as bananas, and its delicate almond flavor, GOYA® Extra Virgin Olive Oil stands out for the balance and harmony between its subtle peppery taste and bitterness.

This premium edition extra virgin olive oil is the culmination of an exhaustive and rigorous inspection from tree to table. Its origin draws from the careful selection of the Hojiblanca and Picuda olive varieties from Andalusia (Spain).

At the end of October, a time when their taste and aroma are more intense, the olives which have been previously selected are hand-picked. Prepared using the first cold press of the olives, a few short hours after being harvested in order to preserve each and every one of their magnificent organoleptic properties, one of the best extra virgin olive oils is born, GOYA® Único Extra Virgin Olive Oil.
